

(UMRL) as of date of this guide specification.

This paragraph is automatically edited by removal of those organizations not included in other sections of the project specifications when SpecsIntact (Reconcile Addresses item from the Print menu) is used for job processing. However, if publications of organizations in addition to those listed below are used in the project, such additional organizations must be added to this paragraph.

\*\*\*\*\*

The addresses of the standards publishing organizations whose documents are referenced in other sections of these specifications are listed below, and if the source of the publications is different from the address of the sponsoring organization, that information is also provided. Documents listed in the specifications with numbers which were not assigned by the standards producing organization must be ordered from the source by title rather than by number.
